A LOOK BACK

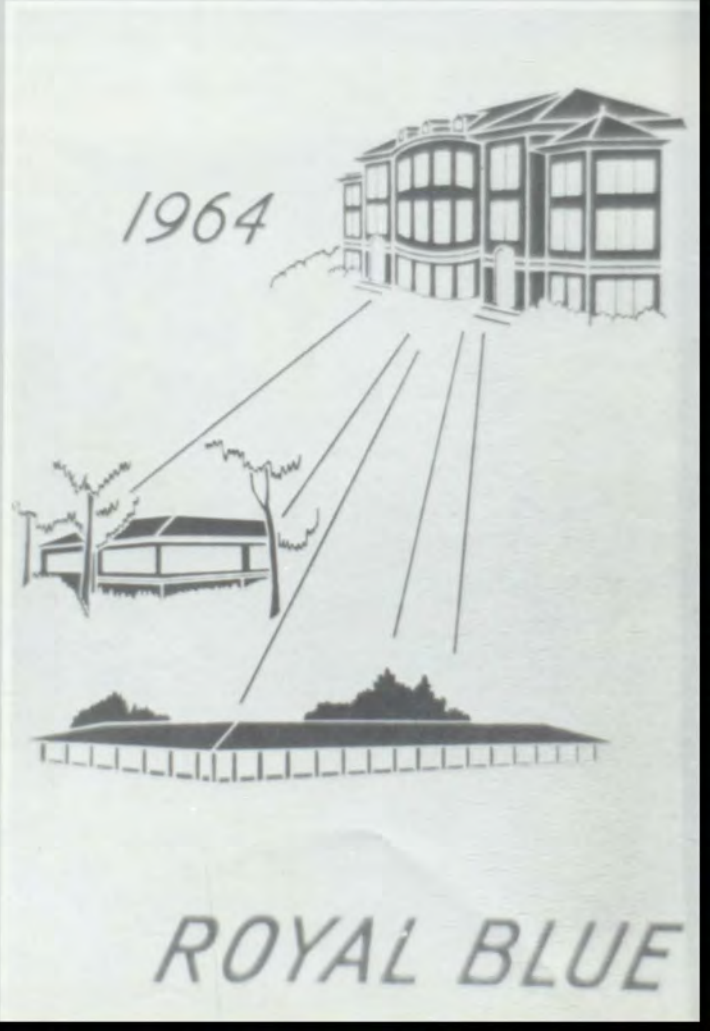
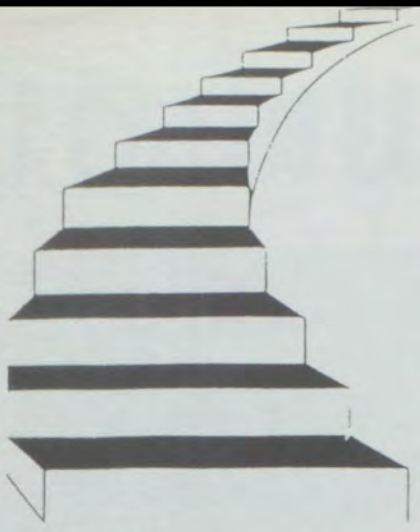
This year the WA-HI Royal Blue takes a comprehensive look at our past and present. When we look back on our time here at Walla Walla High School, it is important to remember the events that shaped our lives; not only during our life times, but those that preceded them. We look back with curiosity and compassion, and recognize those that came before us.

This is the first WA- HI Orchestra as it appeared in 1914.

Paul Simon's music has withstood the test of time. On August 15, 1991, Simon and a 17-piece band drawn from five nations stepped on stage at Central Park for a free concert.

In 1964, Walla Walla High School moved from what is now the YMCA to its current location. This is the cover of the first Royal Blue in a brand new school.



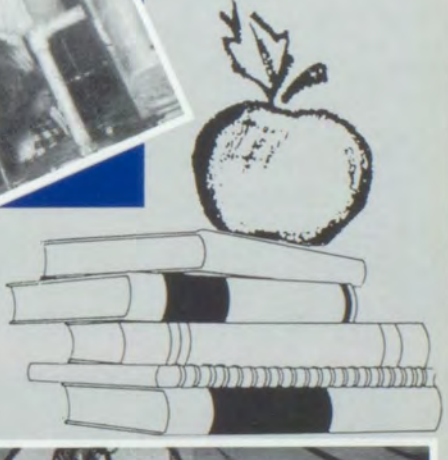


R

R

1960, a new decade. Smiles filled the classrooms and dance halls. As is the saying, "the more things change, the more they stay the same." Styles may have changed, but friendships and community have stayed the same.

In the following pages we repeat the age old tradition of bonding friendships and showing our spirit. These brief pages allow us the chance to grasp memories and appreciate others memories as well.



Relaxation

Welcome to the Wa-Hi

The 1991-92 school year here at Walla Walla High School has been a year of new beginnings in numerous different areas. With the construction finally over, students were able to enjoy the school's many new additions. Our new auditorium and gym created various new oppurtunities for the students. The new gym provided more seats for the basketball and volleyball fans,while the auditorium created a more professional atmosphere to be enjoyed by the entire community. In addition to these new buildings, the administration also presented us with a new discipline policy, and a wider variey of courses were offered, including Japanese. However, this year also marked the end of an era. While we look back at the hundred years we've passed, we can also anticipate the new future that awaits us.

STUDENT

LIFE

Wa-Hi's only freshman exchange student from Germany is David Schmutzler. We asked David what he had experienced to always remind him of Wa-Hi? His reply was the assemblies. David's hosts are Mike and Nancy Watkins.

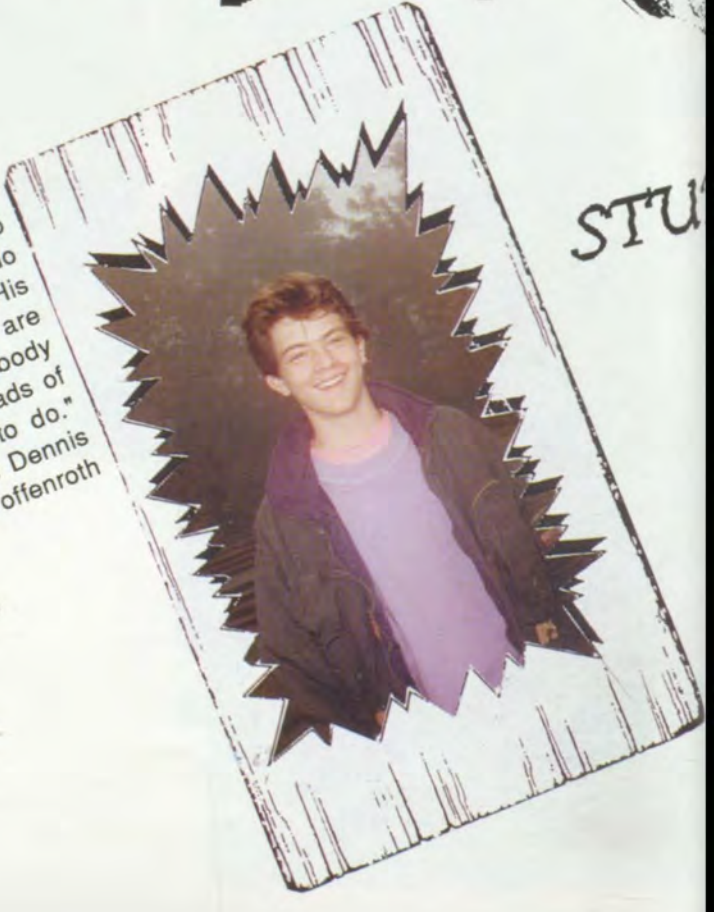
Wa-Hi's exchange student from Brazil, Manuela Gomes disagrees with the rules of not being allowed to be a senior and not being allowed to take T.S.E., these two rules are what she likes least at Wa-Hi. Her hosts are Mike and Jennifer Harvey.

WEL

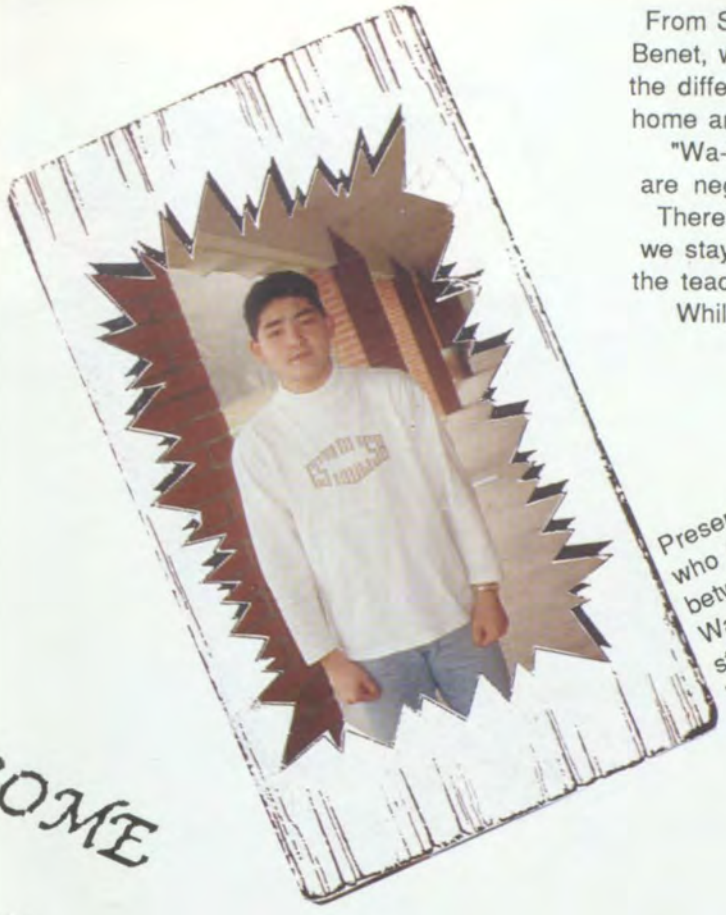
FOREIGN

STU

From Germany we present Sebastian Wimmer, who answers the question of what do you like best at Wa-Hi? His reply was "All the teachers are really nice, like everybody else, and there are loads of different things to do." Sebastian is living with Dennis and Sharon Poffenroth



Martina Spehlmann, a sophmore exchange student has experienced the diasecting of cats in Physiology, this is one event that she will always remember when she returns to her home in Germany. Her hosts are Pat and Jayne Rainwater.



From Spain we introduce Inmaculada Benet, we asked Inmaculada what are the differences between her school at home and Wa-Hi? Her reply was that "Wa-Hi is positive, Spain students are negative, (in school spirit wise). There are more breaks in Spain and we stay in one classroom all day and the teacher changes, except for P.E." While in Walla Walla her hosts are Phil and Nancy Kress.

Presenting Masamichi Sakamoto who feels the difference between his school at home and Wa-Hi is that Japan has many strict rules but Wa-Hi doesn't, "I have freedom," replies the exchange student from Japan. His hosts this year are Walter and Sara Wyman.

COME

EXCHANGE

ENTS

Exchange student, Rut Jaen from Spain, is staying with Rudy and Maria Alaniz while in Walla Walla.

Mogens Tirsgaard, from Denmark states that his worst experience here in the U.S. is that he has to attend church and Sunday school every Sunday. While he stay's in Walla Walla his host are Scott and Laurie Wolfram.

SENIORS 13

HOMECOMING ASSEMBLY

With the help of the cheerleaders and class officers, the Senior Class demonstrates how they "shake the best."

Jodi Huckstep is escorted by Bren Blackaby following being named Homecoming Princess.

MIDNIGHT MASQUERADE

The excitement of Homecoming Week came to a triumphant close Saturday night with the ASB-sponsored dance, "Midnight Masquerade." The dance, complete with elaborate decorations and a variety of music that pleased the diverse tastes of the student body, created a memorable atmosphere that will be remembered fondly in the hearts and minds of all of those who attended.

- 1991 HOMECOMING ROYALTY -

(LEFT TO RIGHT): Cami Griffith, Kevin Bayne, King David Woods, Andy Emerson, Amy Beirne. 2nd Row: Jenny Keuchenmeister, David Sirmon, Queen Tammi Cunnington, Tony McGuire, Jodi Huckstep.

MONDAY

Jay Thacker tries desperately to find the red grape in his pudding, but is eventually defeated by the seniors.

Freshman show their good sportsmanship after losing the contest.

TUESDAY

At the Homecoming fashion show, members of Girl's League and Boy's Federation show both appropriate and inappropriate wear for the dance.

Jay VanDyke shows off the latest styles in hippie wear.

WEDNESDAY

On Wednesday night, Borleske Stadium was filled with fans supporting both the junior and senior girls, as they displayed their football talents in the 1991 Powder Puff football game. The score remained close throughout the game, but the seniors made a final touchdown in the fourth quarter, pushing them to victory. The final score was 13-12.

Armando Maldonado sports a New Kids On The Block toga, while Tony McGuire shows it's cool just to wear a plain white sheet.

A representative from each class lines up on the starting line as they await the beginning of the tricycle race.

Cheerleaders lead the crowd with the hand jive during the homecoming assembly on Friday.

'OUR CLIMB THROUGH LIFE'

Today is the day our lives truly begin,
yet all our friendships shall never end.

Together we've made it through these years,
we all have laughed, joked, and maybe shed some tears.

But, there are the times we will not regret,
the days we became friends and the day we met.

Yet you can't stop to think of where our lives will go,
how we will end up and what we will have to show.

In ten short years we will come together once more,
on this day, will we be afraid to walk through the door?

Just think, to see each other just like old times,
how glorious it will be to have mastered that waiting climb.

Will we all look back on who we really were,
or will we just pass by and live life in a blur.

Some will change, yet some will stay the same.
But, we shouldn't look down on them or give them blame.

So walk forward with a heart brave and true,
and don't ever forget, we're the class of '92.

Oft in the Stilly Night
by Thomas Moore

Oft, in the stilly night,
Ere Slumber's chain has bound me,
Fond Memory brings the light
Of other days around me;
The smiles, the tears,
Of boyhood's years,
The words of love then spoken.
The eyes that shone,
Now dimmed and gone,
The cheerful hearts now broken.
Thus, in the stilly night,
Ere Slumber's chain has bound me,
Sad Memory brings the light
Of other days around me.

When I remember all
The friends, so linked together,
I've seen around me fall,
Like leaves in wintry weather;
I feel like one
Who treads alone
Some banquet hall deserted,
Whose lights are fled,
Whose garlands dead,
And all but he departed.
Thus, in the stilly night,
Ere Slumber's chain has bound me,
Sad Memory brings the light
Of other days around me.

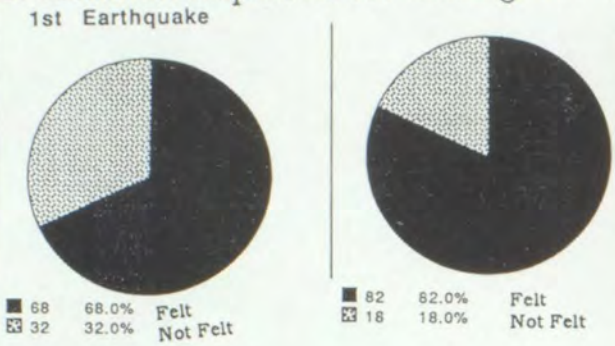
COMMUNITY AND WORLD NEWS

Most common responses for dealing with the alleged phone caller Sally Bird: Breathing heavily and calling out her name over the phone; tell her to bring it on; have her call my ex-girlfriend/boyfriend; called Hard Copy right after she hung up; told her to get a life; told her where to go and how fast to be going there; invite her to dinner and offer to wash her car; laughed and begged her to call back; ask for a date with me to visit my shrink.



On November 17, 1991, Milton Freewater and Walla Walla rocked and rolled with an earthquake measuring 4.3 on the Richter Scale. Once again, on December 15, 1991, the Richter Scale read 3.3 as another quake disturbed our peaceful valley. We received a wide variety of responses and here are just a few towhet your appetite: I was in my hot tub at home and when it started totremble I thought the jets were going to explode; I was making a milkshake in the kitchen, and became overjoyed when I found I wouldn't have to plug in the blender; I was mounting a full-scale assault on the Kremlin; I was watching t.v., and I thought it was my sisters; of the people interviewed the others that didn't feel it generally said they were out of town, or at basketball practice.

In December, Twin Cinemas changed to a bargain theater. General admission is $1.50, and they also offer a bottomless tub of popcorn for $3. Pictured above Jana Cargill and Julie Powell help the customer make a decision on popcorn. Picture by Jeff Horner.

Local

Homeless in Walla Walla- okay, so what gives? We've got plenty of living space, and yet we still have people sleeping in darkened corners of the city like poorly-hid secrets. What's being done about this? Around town, different groups of people have set up small places for people to come and bunk for the night, and there are other missions where people can stay longer. Unfortunately, what these people need is not just homes, but more importantly, jobs. By Meredith Jones. Picture by Amy Smith

For almost one year the Graves lived in a nightmare. On Feb. 1 they recieved an anonymous telephone call threatening to kill them and their four sons. They not only recieved them at home but the person called, neighbors, the YMCA, Catholic scholls and area businesses. In November they offered a $1,000 reward for any information. They were soon surprised when on Dec. 4 their

Most common responses for dealing with the Pioneer Park bird killers: Pluck out all their nose hairs one by one with their own finger nails; slayed and BBQed over a misquite fire; tie them up in a cage full of starving birds; have one finger and one toe cut off and make them eat it raw; super-glued to a chair and mooned; seek psychiatric help; made to swim in the pond, and then clean it out afterwards with spoons and buckets; tarred and feathered.

News

This year marks the 29th anniversary to President John F. Kennedy's assasination. Although students weren't around for the event themselves, teachers were asked their whereabouts at the time and here's some of the responses we received: Coming home from school and seeing my mother crying and dusting and not understanding why at first, but then, finding out that the president had been shot...I was in college, and I suppose the natural first reaction was shock, but then it was just a sort of mellowed feeling like "o.k., so here comes the next guy,"... Mostly, I think I was in shock, but my day still went on and I accepted it as just something that happened. The most common responses were shock, time standing still, a few tears, ect. By Meredith Jones Picture found in John Kennedy: A Polictical Profile by James MacGregor Burns.

On Friday December 2, 1991 a person decided to feed the birds at Pioneer Park. It was a common blend of bird seed, but Strychnime posion was added. 75 birds were found dead and more were expected to be found in time. By Amy Smith. Picture by Jeff Horner

Should condoms be a responsiblility of the school? The majority of you said "yes," while the minority said, "no," and only a tiny portion of you were "unsure." The yes reasons were varied, but continually stayed with the same idea that safe sex was best and the school should support the fact that the students were at least able to go to the school, if going to the drug store was to embarrassing. The no reasons were mainly dominated by believing abstinence was best. What do you think? By Meredith Jones

Current Affairs

In April 1991, 2 miliion Iraqi Kurds and other minorities fled north, when the North and Shiite Muslim failed to remove President Saddam Hussein from office, in the aftermath of the Persian Gulf War. 6,700 of the fleeing refugees died trying to flee to the Turkish border 63 percent that died were childern under the age of 5. The U.S. spent 43.3 million to help the Kurdish relief-efforts.

A firework extravaganza capped New York's Operation Welcome Home parade in June of 1991, where D.S.C. General Schwarzkopf gave the crowd a thumbs up. The $1 million firework display was held over the East River in New York. The display was accompanied by the New York Pop Orchestra. A teary-eyed Korean War Veteran said, "These young boys put their lives on the line and now they're getting their reward!"

Firefighters who were sent to Kuwait were unprepared for what they were to meet. Red and orange flames were sent from scores of oil wells 30 feet into the air. All the oil wells should be capped by the end of 1991. Teams from the U.S., Canada, China, Iran, Kuwait, Hungary, and France were working together to clean up this environmental disaster.

On June 25, 1991, both Croatia and Slovenia proclaimed independence and within 24 hours after declaring this, military tanks were heading towards the border crossings and airports, trying to secure the country. The artillery firing began and a little over 6,000 people have been killed since this Civil War has begun in Yugoslovia, this count is still rising.

The costliest blaze in the U.S. history, killed 19 people in Oakland CA. and damage was put at more than $5 billion in this brush fire that happened in October 1991. Federal aid for the rebuilding of the site was opened due to the fact that President Bush declared it a major disaster area. Karen Terrill said, "The very thing that makes the wildlands attractive and romantic, like the trees, is what makes the wildlands deadly."

The world's seven largest industrial democratic leaders, started arriving in London the 14th of July 1991, for the July 15-17 economic summit concentration on the aid for the Soviet Union. The two-hour presentation made by Mikhail Gorbachev, to the leaders of the U.S., Britian, Canada, France, Germany, Italy, and Japan, that followed closely to the three-page letter he had sent to them. "It always makes a difference when powers in the Western countries become interested in the sale of a country with which trade is possible. Businessmen become aware of the possibilities."

The Russian President Boris Yeltsin had bodyguards holding bullet-proof shields in front of him, while he waved the tri-colored flag from the Russian Fed. building. Thousands of jubilant supporters celebrated the three-day coup ending.

The Russian Parliament building had army tanks rolling within a mile, and less than 2 miles from the Krelim, Soviet tanks moved into Moscow.

In Madrid, Spain, Arabs and Israelis left with mixed feelings of frustration and anticipation after the intense foray into the realm of peace. Syria and Israel were mirred in recriminations, but promised to meet again. Late night talks were the first-ever direct discussion between the two countries. They met in Madrid, Spain but they still failed to move from their positions even to shake hands. Both agreed to meet again., if the U.S can come up with an acceptable location. Both sides said, Washington or sites in North America were possible.

Thousands of Muscovites watched as the founder of the KBG's statue was toppled. The Soviet Union had freedom at last.

Michael Landon

The 12 year veteran and LA Laker superstar, Magic Johnson, found out he was HIV-positive on October 25, 1991 and the following week he annonced his retirement from Basketball. Cookie, his wife, who is 2 months pregnant, is not HIV-positive. Magic's message to the young people is to have safe sex and that if it can happen to him it can happen to you! 1 million Americans are HIV-positive, 200,000 have full blown AID's, 125,000 have died from this disease in the last 10 years. This is an epidemic that will kill you! Even though Magic has retired he will still play in the Olympic games. Magic is one person that shows his strengh and courage both on and off the court!

On June 27,1991, 83-year old Thurgood Marshall, the first African-American member of the Supreme Court, announced he was retiring.

43-year old, Clarence Thomas was nominated to be the second black justice of the Supreme Court, to take the place of Thurgood Marshall who retired. At the nearing for the election, Anita Hill brought charges against Thomas of Sexual harassment. Even through this confusion, the United States Senate confirmed him. The 106th U.S Supreme Court Justice was inaugurated on October 18, 1991.

Anita Hill's life hasn't been the same since she decided to go public with the allegations that Clarence Thomas sexually harassed her 10-years ago. She offered a piece of advice to all victims of sexual harassment. "You need to find somebody you can trust and tell them." She said, "try to find somebody who can help make you feel that you are not at fault. Find someone you can trust because, you can't take it all out on yourself; you can't internalize it."

A home for 4 men and 4 women for two years will be sealed structure of steel and glass. The structure is called Biosphere 2. It contains all the necessary things of life, nothing will come in or go out for 2 years. This is a $100 million project and has taken 7 years to build.

The Minnesota Twins and the Atlanta Braves saved the best game for the last. Winning the closest of the World Series 1-0 on October 27, 1991. "Someone had to go home a loser, but there's no loser in my mind," Jack Morris said.

Black and White leaders gathered to sign a peace pact in September 1991, to end faction fighting that killed many lives in South Africa. Among the leaders were President F.W. de Klerk, AFNC President Nelson, Mandela and Zulu Inkatha leader Mangosuthu Buthelezi. A cease-fire was reached in August of 1990, peace terms were agreed upon in January of 1991, by both Mandela and Buthelezi, but the violence raged on. Within the past 6-years at least 6,000 people have been killed.

"From the millionaire abortionists of the 1800's, the history of abortion in America has been one of nagging moral conflicts and explosive public debates. Abortion was legal through most of the 1800's. By the turn of the century, it was banned, And in 1973, It was legalized once again. but today, as legal abortion is as unresolved as it was a century ago.

The 91' Wa-Hi Varsity Football team head coached by Gary Mires, started off the season proving to bring some exciting games to many Blue Devil fans. Beating 3 of their first 4 Big Nine opponents Wa-Hi looked strong and confident. In the 5th game against Eisenhower, Blue Devils entered the third quarter dominating 21-12. The Cadets made a vicious comeback to beat Wa-Hi 31-28. After losing this heartbreaker, Wa-Hi couldn't seem to fire up for another conference win.

Defeating Redmond, Oregon in a non-conference game Wa-Hi finished the conference season 3-5 and 4-5 overall.

Individual recognition went to Robert Percifield who was named first team Defensive Down Lineman. David Sirmon earned second team Linebacker and second team Runningback along with teammate Fred Eubanks. Four more Blue Devils earned Honorable Mention Recognition; Down lineman John Schaefer, and Carlos Rivas, Offensive Center Scott Thompson, and Eric McAlvery for Defensive Back.

As for team awards; Captain went to David Sirmon, Offensive Most Valuable Player Fred Eubanks, Defensive Most Valuable Player David Sirmon, Most Inspirational Jage Betournay, and Linemen of the year Robert Percifield.

Back In The Good Old Days...

A trip through time... A passport to past sports.

Archery

First there was Adam and then came Eve. Inequality was born. For many years at WA-HI the idea of Girl's Sports was laughed at. In the 1900's to 1920's young women at WA-HI only concerned themselves with their studies and the Future Homemaker's Club...not with getting sweaty by jumping hurtles in track. These girls were only concerned about staying "eternily feminine."

The 30's and 40's eventually rolled around. Gilrs declared war against their figures. Girl's P.E. literally "sprung" into action. Gymnastics, volleyball, badmitton, ping pong, kick ball, archery and the ever-so-popular shuffleboard brought the Blue Devil Beauties to thier feet. The girls in the sixteen homerooms, which made up WA-HI, competed against each other in these events.

Competition began in the 50's and 60's against other schools. The tennis and basketball teams began making history for WA-HI as did the volley-ball team who followed soon after.

70's, 80's, and 90's dropped the badmitton, shuffleboard, ping pong and archery without a second glance and slid the girls into X-country, track, soccer and golf.

Though inequality is still a thing of today, thanks to the past two generations its walls were crumbled and we compete together, working and striving for Blue Devil pride.

The 1991 soccer season brought changes and good signs for the future. This Fall was the introduction of the first JV soccer program. The program accomplished a great deal both in the game of soccer and by providing the varsity team with a strong feeder team.

As the year went on the Lady Blue Devils became stronger and stronger. With each match came more knowledge and better preparation for the future. The main areas of concentration according to coach Peck were fundamental skills and cognitive development. "The team faced even more of a challenge this year because after the first few matches the other teams in the Big Nine were aware that we had the potential play well and beat teams. This put more pressure on the players to perform well and they handled it with ease." "We forced teams to score good goals to beat us; with such a young program that is a good accomplishment."

The team having reached its goals for the season and having created a strong foundation for next year, the Lady Blue Devils look to be even more competitive next year. "This year once again posed new situations and challenges for the players. As those situations start to become more familiar, the team recognize and react to them and make the game a great deal easier." Peck said. This year the team graduates four seniors: Carrie Gregerson, Bonnie Edwards, MaryLynn Powers, and Jennifer Saari.

JV Girls' Soccer

The 1991-92 soccer season proved to be an exciting and intriguing experience for me. It presented a challenge in that even though I had played soccer on college, I had never coached it on the high school level. Coach Peck and I decided that the two most important goals for the J. V. girls would be to learn the basic fundamentals ie. passing, dribbling, recieving, etc. and to insure that the girls learned with enthusiasm and enjoyment. I believe that these goals were met.

Many of the girls had little or no experience at the beginning of the year. Each week presented a challenge to use drills that would enable them to practice "situations" that thet would encounter in a game. Each new drill would then build upon a previous one.

This made practice meaningfull as well as a challenge to build upon skills throughout the year. Coach Peck provided me with valuable insight into the nature of the game. His suggestions always kept me on track to attain our goals. The success of our progress was highlighted by defeating teams that we had previously lost to. I believe the junior varsity soccer program is off to a great start.

Basketball, the game and the uniforms, have changed significantly since 1947.

The 1991-1992 version of Blue Devil basketball came upon hard times. Youth, inexperience, and injuries had turned a very promising season into a disaster. The team sprinted to a 4-1 record prior to the Christmas break, but since then, suffered through eight straight losses. Injuries to key performers, such as junior guards, David Blocklinger and Kevin Michaelson, can be blamed on the downfall of this year's Blue Devils.

Despite these factors, the future is bright with only two seniors graduating this spring. I'd like to thank seniors Jason Wood and Darryl Galloway for their contribution to the program. I'm looking forward to a revival of Blue Devil fortunes in 1992-1993 with the return of many varsity lettermen.

I'd like to thank everyone that supported the boys basketball program for 1991-1992.

1958, This is the first year that wrestling became a major sport at Wa-Hi. Out of five wrestlers two were district champions and we had 2nd and 3rd places at state.

1960, This year wrestling grew in all schools and Wa-Hi began it's battle against more wrestlers. Wa-hi had ten sub-district placers and a state placer. Season 6 wins-6 loses.

1962, They won the Southern Yakima Conference while having a district placer, and a district champion who went to state. Season 7 wins-3 loses.

1963, This year they won the Southern Yakima Conference for the 2nd year in a row. This was a great year for Wa-Hi with 8 wins-0 loses. Also there was two Wa-hi state placers.

1964, Wa-Hi again was undefeated at the Southern Yakima Conference for the 3rd year in a row. The team traveled to districts but only two wrestlers went to state. This was the first time that Wa-Hi ever placed first in a weight class at state. John Crudup was state champion at 141 pounds. Wa-Hi then placed sixth overal out of 78 schools. Wa-Hi also had a wrestler win third place. Season 10 wins-2 loses.

1966, Wa-Hi had a placing of second in sub-districts, and later placed fifth in districts.

1971, This years team was a young and inexpereinced team. But they ended up at fourth place at sub-districts, and sixth out of twenty-one teams at districts.

1975, This season for the Blue Devils was full of ups and downs for wins but not for their spirits.

1976, This year Wa-Hi had 1 wrestler go to state and he finished in fifth.

1977, The placing at districts was as follows: 1-first, 1-third, 1-fourth, 3-fifths, 1-sixth. There was a placing of third and fourth at regionals, and a third at state.

1979, The placing at the Wa-Hi Invitational is as follows: 1-first, 2-seconds, and a fourth. The placing at districts was first, second, third, and sixth. Regional placing was first second and fourth. And finally the state placing was first and third.

1991, This is the year that Wa-Hi pulled up above the other schools. We had four wrestlers go to state and two state champions leave it.

1992, Wa-Hi sent four wrestlers to state.

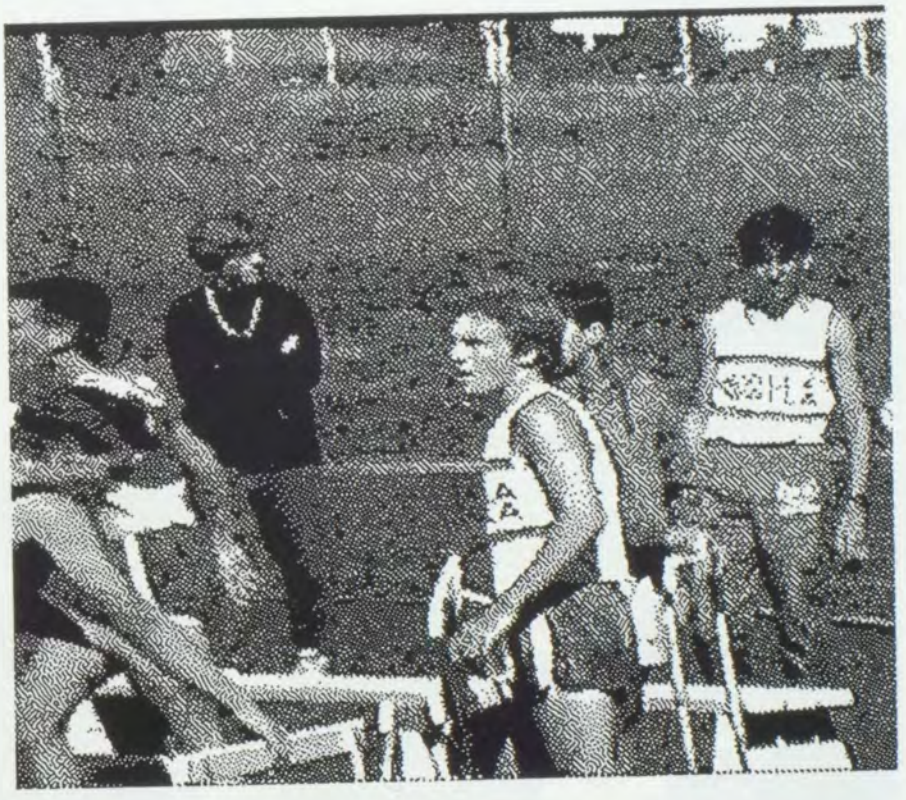
Wa-Hi Cross Country team showed great potential. Losing some seniors left the team young but experienced. Both teams have strong runners who still have some years at Wa-Hi. Freshman Jesse Philo ran in the #1 sport most of the season due to an injury that left his strongest competition, Mike Taylor standing on the sideline. The boys finished the conference 5-4.

Wa-Hi girls had a disappionting season finishing 1-7. They may have not shown their achievements on the scoreboard, but they improved throughout the season and will be tough competition to other Big Nine schools next year. Jennie Close, a senior at DeSales running for Wa-Hi was the only Wa-Hi runner to earn a trip to state.



Kirk Brown takes a breather after finishing his race.

George Martinez catches a few Z's before his big race.

Can you geuss who these two Wa - Hi speedsters are?

WHO'S GOT THE SPIRIT?

-The Wa-Hi Cheerleading Squad-

What does it take to be a cheerleader? It is a combination of being a leader, a diplomat, a strong athlete, a crowd controller, an academic achiever, and a team player. The members of the 1991-92 Wa-Hi Cheer Squad are just that!!

One of 50 squads from all over the Northwest who attended the WIAA Cheer Camp in Ellensburg last July, the Wa-Hi Squad came home with a coveted Pep Paddle. Only 9 paddles were presented to participating squads. This signified excellence in leadership, skill, and spirit and is a coveted award.

The group has also been recognized by the Washington Interscholastic Activities Association as a distinquished scholastic group. This means that as a squad they have a combined grade point average of 3.0 - 3.49.

As in any sport, a spirit of teamwork and trust must be established. This squad has been one of the most positive and hard-working groups that I have had the privilege to coach. The excellence in stunts, cheers, and dance have shown the level of cooperation and talent that exists. Each member is an important contributor and we have all learned from each other.

We are proud to represent Walla Walla High School and appreciate the support from the staff and student body.

Did you know...

...in 1918 Wa-Hi killed Yakima 119 to 0 in a football game?

...1972, Fidel Coronado was named "Most Inspirational Boxer" for Wa-Hi. His nickname was "the smoker" In 1973, in Pensacole, Florida he was awarded the Golden Glove Award in Boxing?

...in 1971 was Head Coach Felix Fletcher's last year to coach Wa-Hi football team? Fletcher had been coaching since 1947 with a compiled record of 162 wins, 45 losses, and 9 ties. In 24 years, he only had one losing season. In his last season as coach his team went with 8 wins and 1 loss.

...Dean Derby, a 1953 graduate, played football for the University of Washington and then later played professional football for the Pittsburgh Steelers? The year that Dean graduated the football team was undefeated and was ranked #1 in the State in the A.P. Poll.

...Paul Wickline sang with Soundsation Vocal Jazz Ensemble, which toured around the world?

(above)Dean Derbys senior picture. 1953.
(on the right) Derbys rookie Pro Football card in 1960. (below) Bob Cox senior Picture.1953.

...in 1970 Jim Yeager, along with classmates, had a sit-down demonstration outside the science building to protest the fact that girls could not wear jeans to school and boys could not have facial hair?

Football card donated by J.V. Walla Walla Card Connection.

...Rose Dovell was the only women Principal at Wa-Hi. That was back in 1902-1907?

...in the summer of 1976 a streaker rode his motorcycle on the school grounds?

...Bob Cox, a 1953 graduate, played football for the University of Minnisota? He was runner up in the Heisman Trophy Award. Cox was also All-American in football, track, and basketball for Wa-Hi. He also played the same year with Dean Derby.

...Bill Bieloh played against Wa -Hi in the 1952 state champinship game. Wa-Hi won 58 to 53?

...Wa-Hi started with only 12 students in 1889 and now currently has close to 1700 students?

...that Adam West (the original Bat Man) went to Wa-Hi his Freshman and Sophmore (1942 -43) year. Later he graduated from Whitman College?

...in 1946 Wa-Hi had what was called "Twirp Week"? Twirp Week is when non steady girls ask boys out. The rules were that 1) No dates to be made by boys (girls only). 2) No passes to be made by boys. 3) Girls pay all bills on the dates and boys are asked to give thier cooperation.

... Adam West real name is Bill Anderson?

...1934 wrestling became a major sport for Wa -Hi?

... Drew Bledsoe, starting Q.B. for the Washington State Cougers, broke 12 Wa-Hi records in 1989?

(far left)Adam West (Bill Anderson) at age 18, home on the range.

...the year of 1889, Professor R.C. Kerr, who was the superintendent of the Walla Walla Schools, decided to form a high school? Twelve students met before school, and afternoon, and after school at the Baker School building and recited lessons in algebra, and civic. Thus the start of Wa-Hi.

...Paul Wickline had a picture taken with singing star Mel Tormae?

...Connie Taylor-Randall sang at Carnegie Hall with "Up with People"?

...Greg Pepin, a graduate of 1968 of Wa-Hi, was the man on C.N.N. giving information to the press about the things going on in the Gulf War?

...in 1917 and 1918, over 280 boys dropped out of Wa-Hi to enter the military service for World War I?

Rich Owen
Feb. 28, 1975 - Jan. 22, 1992

Rich Owen is the third student for Walla Walla High School this year who has passed away. Because his passing was so much later than the first two, Wa-Hi Annual Staff was not able to put his picture on the first layout. Rich was preceded this year by Jorge Barajas and Rick Hellberg, who were killed in a fatal car accident. These three students will live in our memories forever, and if nothing else, they could possibly teach us all a lesson: one never knows when death will knock on one's door, and therefore, each day should be lived to it's fullest. Time is precious, and so is life. Do the things that mean the most, and don't wait until tomarrow to do it. Death comes in many forms, and has no conscience and no memory. Life works in mysterious ways, and one must be ready for all the curve balls it has to offer.

There are things known and unknown and inbetween are the doors.

SWEET HEARTS

Dearest _____,

The year has wound down to its end and what a _____ year it was! _____ (was, were) so _____! I had a _____ time and the other moments we spent together meant so much to me. You always made me feel _____. I (love, like) you more than you may know and I (hope, wish, know) that you feel the same towards me. Please (call me, keep in touch, lets do something) during the summer months...

DANCES

_____,

SEE YA SOON, I ♡ U, SINCERELY

Call me!
